GEOR[®]

Your **supplier** of **kitchen** utensils

■ Since **1982** ■

Made in EU

We are a family company from Slovenia, specialized in the production of kitchenware, gadgets and utensils. We have been part of the global market since 1982, with our products being sold all over the world. Our assortment consists of nearly 2 thousand different products made from plastics, wood and from a plastic-metal-wood combination.

We would be very pleased to do business with your company.
